

Invitation to the CEEMS AG meeting

21 October 2019

Dear Colleagues,

As CEEMS Advisory Group (AG) Chairperson, I would like to invite the Members of the AG to the CEEMS AG meeting, which will be held in conjunction with the 54th CIML Meeting in Bratislava, Slovak Republic, on Monday 21 October 2019 at the Hotel Doubletree by Hilton.

Work in favour of CEEMS is now considered as one of the three pillars of the OIML's work and its importance was emphasized again by CIML Resolution 2018/15, which was approved last year in Hamburg. It recognized the significant progress that has been made and highlights the areas in which the OIML should be focusing its attention in the future.

This year, the AG will again discuss relevant issues concerning CEEMS and draw up a plan of action. It will then provide feedback to the CIML. The important issues are:

- discussing the strategy of the OIML Training Centers (OTC);
- developing e-learning modules;
- a possible scholarship program for future leaders in CEEMS;
- progress on revising D 1, D 14 and D 19; and
- a proposal for cooperation with the BIPM CBKT.

It will be highly appreciated if all the AG members can attend the AG meeting and contribute their ideas and proposals, and I therefore hope that as many of you as possible will be able to be present.

I am certain the AG meeting will once again generate a very fruitful outcome.

Best regards,

Pu Changcheng
CEEMS AG Chairperson
